WHY JOIN THE EUPSF?

Working together towards safer healthcare systems

MAKE A DIFFERENCE IN PATIENT SAFETY

-  Support the implementation of innovative practices, awareness-raising and advocacy in the field of patient safety across Europe.
-  Share your expertise within the ecosystem of leading organisations in patient safety, to address complex patient safety challenges.
-  Take an active part in the projects and governance of EUPSF, setting priorities to advance patient safety at the EU level.

FEED YOUR DEVELOPMENT

-  Keep up to date with latest patient safety innovations, to incorporate them into the design of your activities.
-  Connect with healthcare workers, hospital managers, patient organisations, policy makers and life science industry across Europe, to explore new partnership or project opportunities.
-  Monitor patient safety news in the EU institutions to fuel your information flows.

PROMOTE YOUR COMMITMENT TO PATIENT SAFETY

-  Make your activities connected to patient safety more visible across Europe.
-  Engage with new stakeholders, displaying your concern for patient safety and your taste for collaboration.
-  Boost your own motivation by supporting activities consistent with your mission.

INDIVIDUAL AFFILIATE

2026 Affiliation Packages

Through close partnership and active involvement of our individual affiliates, we are developing initiatives and policy proposals that genuinely advance patient safety across Europe, making it a tangible reality for all patients.
